February 11, 2026,

Dear Director:

It is again time for the Salem County Brass Society to make our annual high school Senior Awards. Beginning last year, we decided to also make this award available to your senior percussion players in addition to brass players. Therefore, we would like to honor **senior brass or percussion players** at our five county high schools who have made a significant contribution to the success of your ensembles. We rely on you to make the selection for your school of a senior to receive this award. Remember, this award is for a **senior brass or percussion player** who need not be your best soloist, simply one who has contributed the most to your program.

The award consists of a certificate and a \$200. check. Enclosed is a form to be completed by you and returned by **Friday, April 10, 2026**. The Brass Society will notify the recipient and invite the student and family to our Annual Spring Scholarship Concert to be held on Sunday, April 19th, where the presentations will be made along with the winner of our annual scholarship to a student planning a career in music. The concert, held in Davidow Hall, at Salem Community College, Carney's Point, begins at 3:00 PM.

We hope you will proudly join us as we make the presentations to the students.

We thank you for your assistance in this award.

Sincerely,
Scott West,
Scholarship Chairman
Salem County Brass Society
